June 19th - 22nd, 2025

Valdez Hall  
Convention & Visitors Center

Dear Community Business Partner,

The Freedom Groups is hosting the 2025 ANNUAL THE JUNETEENTH EXPERIENCE from June 19-22, 2025. This year's theme is "Celebrate Freedom." We invite you to partner with us to further America's creed of freedom for all of its citizens, as well as the right and privilege to pursue excellence. Your sponsorship furthers our united efforts to teach and exemplify the idea of a "One Fresno".

The National Holiday is celebrated by Faith Based Organizations, Corporate America, Community Based and Grassroots organizations, and of course National, State and Local governmental entities. We anticipate another record year attendance of over 8,000. This year's five day celebration will have great food, educational presentations, cultural dances, historical speeches and fashion.

Along with your participation we will have over 90 unique vendors on site to exhibit diverse products and services. Beginning on June 19, 2025 this year's observance will give you the opportunity to reach an audience of community members, adults and children, church, groups and agencies. We will celebrate with activities throughout Fresno and the weekend events will be held at the Fresno Convention Center's Valdez Hall. The Juneteenth Experience will conclude on Sunday, June 22 at Fresno City Hall with a flag raising ceremony.

Thank you in advance for your support and partnership.

Sincerely,

  
Landon Green, President  
The Freedom Groups

# Market your brand at the Largest African American Event in Central California

We are gearing up to host more than 8,000 attendees at the annual Juneteenth Experience in downtown Fresno. Our goal is to insure your involvement will reach consumers before, during, and after the 4 day celebration. According to Niensens Ratings, African Americans are 47.8 million strong and a buying power that's on par with many countries' gross domestic products.

The Juneteenth Experience has experienced positive growth year after year, attracting thousands of consumers from across the San Joaquin Valley and beyond. As we continue to attract African American consumers in search of products and services that support their communities, we know that your company is a good fit.

Business owners have already discovered becoming an exhibitor at the Juneteenth Experience is an easy and affordable way to reach thousands of consumers. African Americans outspend every other group in areas that include, health, image, technology, and personal care. Now is your chance to take advantage of this tremendous opportunity and tap into the spending habits and power of the African American consumer.

This incredible opportunity will allow you to:

- 1.) Generate on-the-spot revenue through direct sales to thousands of attendees.
- 2.) Build a follow-up database for ongoing business success.
- 3.) Expose consumers to your products, services and information.
- 4.) Increase client/customer relationships and build long lasting connections.
- 5.) Market your brand through face to face interaction.

"Black consumers are speaking directly to brands in unprecedented ways and achieving headline-making results. Popular brands witnessed the power of Black Twitter and the brand impact of socially conscious Black consumers. Through social media, Black consumers have brokered a seat at the table and are demanding that brands and marketers speak to them in ways that resonate culturally and experientially-if these brands want their business. And with African Americans spending \$1.2 trillion annually, brands have a lot to lose."
